

CII-ITC Sustainability Award 2008 - Certificate of Commendation for Strong Commitment to excel for Sterlite

SIL-Tuticorin has been awarded CII-ITC **Certificate of Commendation for Strong Commitment to excel** on the journey towards Sustainable Development, among Independent Units for the year 2008. The award was given during a glittering ceremony as a part of the 3rd Sustainability Summit: Asia 2008 on December 12, 2008 in New Delhi. The award was received from His Excellency Prince, Mustafa Zahir, Director General of the National Environmental Protection Agency, Afghanistan in the presence Mr Montek Singh Ahluwalia by General Manager, Corporate Affairs on the behalf of SIL.

Sustainability Award at Glance

The Sustainability Awards, instituted by the CII-ITC Centre of Excellence for Sustainable Development has been setup to identify and recognize Indian business's performance in economic, social and environmental dimensions. The awards act as a stage to promote role models achieved by businesses in promoting sustainability. It also imparts knowledge for capacity building activities by Indian Businesses to adopt sustainability practices.
